July 20, 2010

Dear Families:

WSC Academy is planning for a successful 2020-21 school year. We have been tasked by the Governor and the Michigan Department of Education to prepare and submit a Preparedness Plan to ensure the safety and educational success for our students. Our team is continuing to work hard to ensure that we can provide the best education for your child and flexibility for your family.

The Governor's plan is on line at the [MI Safe Schools: Return to School Roadmap](#), which outlines required and recommended safety protocols for the 2020-21 school year based on the status of coronavirus in our community.

The format of our Academy in the Fall will depend on the phase the Ypsilanti region is in according to the governor's MI Safe Start plan. WSC Academy is putting together plans for all three possible scenarios: in-person, hybrid and virtual. Currently, the Ypsilanti region is in Phase 4 of the plan.

Phases 1-3	Phase 4	Phase 5	Phase 6
Virtual learning only	Some in-per instruction can occur on campus (masks required)	More in person instruction can occur on campus (masks optional)	All in-person learning can occur on campus

If we remain in Phase 4 when school resumes, WSC Academy plans to offer a hybrid setting where students report on 2 days per week and report virtually on other days. Of course, flexibility will be granted as needed on a case-by-case basis. Our priority, as always, will be to provide a safe and high quality learning environment for our students and staff.

We will continue to take guidance from the State of Michigan and Washtenaw County Health Department to ensure our students, staff and school community are safe.

We will continue to update you as we know more. Thank you for your continued support as we navigate these challenging times.

Please see important dates and information on next page.

School Location

855 Jefferson, Ypsilanti, MI 48197
