Our vision: A community that offers opportunity for everyone with the desire to succeed.

## Who You're Helping

Since 1973 Work Skills Corporation has helped close to 60,000 people with disabilities & other barriers across Southeast Michigan optimize their potential!

**YOU** can help us help more  
with your monthly gift.

## Why should YOU become a monthly donor?

Disability knows no age, gender, race or creed. We live in a world where the need often outweighs the availability of help.

Over the years, gifts to the Work Skills Foundation have provided

- ◆ A safe & comfortable space at two Residential Program homes
- ◆ Increased income potential for Artisan Corner participants by buying a larger kiln and LOTS of art supplies
- ◆ Enhanced employment and training materials for WSC participants
- ◆ Extensive support services to transitional production workers
- ◆ and SO MUCH more! YOU are changing lives. ♥
