

Hi Everyone!

During this time of shut down, I wanted to provide some resources for you, and to let you know that I can still be reached via email at: maguirel@wsc-academy.org.

I know that many of us may feel some extra stress and anxiety because of all of the unknowns, but know that WSC Academy and myself are here to support you! If you feel you need additional support, please see the next page for an updated list of resources for you in Washtenaw County. I know that there are many more beyond this list, and if you need help getting connected, please reach out and email me!

Lastly, If you are having a mental health crisis or feel you need urgent support, please consider contacting one of the following numbers for immediate help:

Ozone House: (734) 662-2222

National Hotline: 800-273-8255

Trevor Helpline (LGBTQ): 866-488-7386

Take this time to rest if you can, and work on what you can work on! We can only take this one day at a time! Can't wait to see all of your smiling faces soon.
